VISION STATEMENT

Advancing innovative stewardship of the recorded past with a focus on the future.

MISSION STATEMENT

To connect and support the diverse individuals and organizations in New England responsible for the care of cultural heritage and the documentary record, through advocacy, education, communication, and cultivation of a strong, inclusive professional network.

CORE ORGANIZATIONAL VALUES

New England Archivists is committed to:

♦ **Advocating for** archival practice and all individuals engaged in archival work and study.
♦ **Building community** with an emphasis on inclusion and diversity.
♦ **Encouraging collaboration, innovation, experimentation, and creativity** across institutions and areas of expertise.
♦ **Stewarding** the historical record.
♦ **Promoting transparency, integrity, and professional ethics.**
